

Management has transferred 10% ownership of the company to employees via the Pro-Print Share Trust as a means of thanking them for being instrumental in our success journey.

Following this transfer, employees have another opportunity to make positive changes to their lives, and Pro-Print's B-BBEE scorecard has been adjusted from Level 8 to Level 4. In addition to Forest Stewardship Council® FSC® Chain of Custody certification, we provide reassurance to brand owners that they're partnering with a socially- and environmentally-responsible paper and board packaging converter.

Not all our products are FSC® certified.

By buying FSC® certified printed material  
you help take care of the
